ANNUAL FUNDRAISING CAMPAIGN

Objective: \$150,000

The Montreal Diet Dispensary's 2017 annual fundraising campaign is now underway. Our objective: To raise \$150,000 which will enable us, over the course of a year, to help 150 pregnant women living in difficult circumstances (very low income) receive the nutrition they need during their pregnancy and give birth to healthy babies.

**Our mothers and their newborns are counting on your generosity.
Thank you for making our 2017 annual fundraising campaign a success and helping
the Dispensary's team Nurture Life!**
